

Logo Usage Guidelines

Please use the official logo files provided in this press kit only.

The logo must not be modified, altered, distorted, recolored, cropped, rotated, or recreated in any way. Please do not change its proportions, typography, spacing, colors, or visual elements.

When using the logo, make sure it remains clearly visible and legible, with adequate spacing around it and sufficient contrast against the background.

For any specific use case not covered by the materials provided, please contact the DeepTree at hello@deeptreeai.com
